

5th November 2018

Dear Parents,

Year 13 Consultation Evening, Thursday 15th November, 2018

You are invited to attend the Parents' Consultation Evening for Year 13 students on Thursday 15th November 2018, from 5.00pm, held in the Sixth Form Centre. The evening is an opportunity to discuss student progress with subject teachers. The sixth form tutors will also be available to answer any questions you may have.

We shall be using an appointments system during the evening and we would ask that you make sure you leave yourself sufficient travel time in between appointments.

Parents are now able to book appointments with the teacher they wish to see. Please refer to the instructions overleaf.

On arrival, we would be grateful if you would sign the list at Sixth Form Reception.

Yours sincerely

M Sim
Head of Sixth Form
